

ENFORCEMENT POLICY

of the
Rocky Bluffs Property
Owners' Association

If this document contains any restriction based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, veteran or military status, genetic information, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry, that restriction violates state and federal fair housing laws and is void and may be removed pursuant to Section 12956.2 of the Government Code. Lawful restrictions under state and federal law on the age of occupants in senior housing or housing for older persons shall not be construed as restrictions based on familial status.

ROCKY BLUFFS PROPERTY OWNERS' ASSOCIATION
GOVERNING DOCUMENT ENFORCEMENT POLICY

Disciplinary proceedings may be initiated upon the receipt of a written complaint ("Complaint") from any Member or resident ("Complainant") to the Board or its designated managing agent. Anonymous Complaints will not be acted upon unless such Complaints can be independently verified, such as by a visual inspection of a Member's property. The Complaint should contain as many specific and supporting facts as are available, such as time, date, location, person(s) involved, and other relevant details so that the Complaint may be evaluated and investigated by the Board. Complaints initiated by a member of the Board of Directors or management agent may be in any form.

The purpose of this policy and all other rules of the Association are to maintain and enhance the quality, value, and quiet enjoyment at Rocky Bluffs. Accordingly everyone must adhere to the rules. Owners are responsible for their tenant's conduct. The Association may enforce this policy and the rules by legal action if necessary.

First Notice

Upon the submission of the Complaint, to the extent the Board deems appropriate, the Board shall send a written warning letter ("First Notice") to the allegedly non-complaint Member ("Respondent"), summarizing the Complaint and requesting compliance with the Association's governing documents. Such First Notice shall be sent by first-class mail to the Respondent. No penalty shall be assessed to the Respondent in this First Notice. If compliance occurs as a result of sending this First Notice, the Board need take no further action on the Complaint. The Respondent shall have the right to provide information and/or evidence denying the existence of a violation and, if the Board agrees, the notice will be withdrawn.

Second Notice

If the violation described in the First Notice is not corrected within a reasonable time (as determined by the Board), or if the violation is repeated, a second notification letter will be sent to the Respondent ("Second Notice"). The Second Notice will advise the Respondent that a hearing before the Board of Directors will be held. The Second Notice will provide a general summary of the allegations in the Complaint, including the applicable section(s) of the Association's governing documents allegedly being violated; the date, time, and location of the hearing; a statement that the Respondent

may attend the hearing and address the Board; and may also contain the penalties that may be assessed at the hearing. The Board shall fix a hearing date and mail the Second Notice to the Respondent at least fifteen (15) days, but not more than forty-five (45) days, prior to the date of the hearing. The Second Notice shall be sent by first-class mail.

Whether or not the Respondent wishes to attend the hearing, he or she may deliver to the Board a written statement, setting forth the Respondent's answer to the allegations in the Complaint. If the Respondent submits a written response, it must be delivered to the Board of Directors, or the Board's authorized representative, at least seventy-two (72) hours prior to the hearing. This will ensure that the Board has the opportunity to consider the response prior to any decision on the Complaint being made.

Hearing

Neither the Complainant nor the Respondent is obliged to be in attendance at the hearing, although such attendance is encouraged. All hearings shall be held in executive session in order to protect the privacy of the Respondent, but may be held in an open meeting at the request of the Respondent. If held in executive session, the Respondent and the Complainant shall be permitted to attend.

At the beginning of the hearing, or at any appropriate time during the hearing, the Board will explain the rules and procedures by which the hearing is to be conducted. The Board is entitled to exercise its discretion as to the specific manner in which the hearing will be conducted.

Should the Respondent fail to appear at the hearing and fail to submit a written statement in defense of the allegations, the Board may hold the hearing in his or her absence and make a decision based upon the evidence before it.

Decision

After all evidence and/or representations have been presented to the Board, the Board shall vote upon the matter. The decision may be made at the conclusion of the hearing, or may be postponed to no later than fifteen (15) days thereafter. A written decision shall be mailed to the Respondent as soon as practicable thereafter, but in no event more than fifteen (15) days after the hearing. Disciplinary action, if any is imposed, and unless otherwise ordered by the Board, shall become effective no fewer than five (5) days after the Board's decision is mailed to the Respondent by first-class

mail. All decisions of the Board shall be final unless the Board, in its sole discretion, agrees to rehear the matter due to the availability of new evidence or information of an overriding nature. All requests for rehearing must be made by the Respondent and received by the Board within thirty (30) days of the date of the notice of the Board's decision, and must include a summary of the new evidence to be presented or the reasons why the Board's previous decision should be overturned.

Fine Schedule

The following fine schedule shall apply where the Board finds a violation has occurred and, in its sole discretion, determines to assess a fine:

1st Offense	Up to \$25.00 maximum fine
2nd Offense	Up to \$50.00 maximum fine
3rd & Subsequent Offenses	Up to \$100.00 maximum fine

Violations of an ongoing nature may be fined on a daily basis. If daily fines are imposed, they shall not exceed \$25.00 per day.

The fines listed above are maximum amounts per violation, and are in addition to any actual costs, damages, or expenses, including attorneys' fees, incurred by the Association in obtaining compliance with the Association's governing documents. If circumstances warrant, the Board may suspend imposition of all or any portion of a fine for up to one (1) year from the date of the hearing.

In addition to assessment of a fine, the Board may suspend the Respondent's voting rights and membership privileges as outlined in the Association's governing documents.

Violations that Require Maintenance

There are violations which may result in the Association performing maintenance or repairs. In the case of violations which create an imminent health or safety hazard, the Association may send a notice of violation to the Member requesting that the Member correct the violation immediately. Otherwise, the Association may send a notice of violation to the Member requesting that the Member correct the violation within fifteen (15) days. If the Member fails to correct the violation within fifteen (15) days, the Association may call the Member to a hearing upon at least fifteen (15) days written notice and after such hearing:

- a. Perform the maintenance or repairs;
- b. Charge the Member for the maintenance or repair cost; and
- c. Impose fines and costs of maintenance as set forth above or other discipline as set forth in the Association's governing documents.

Rules Committee

Any of the rights, duties, and actions outlined in this policy permitted or required to be performed by the Board, may, at the discretion of the Board, be delegated to a rules committee, or other authorized agent.
